

“The Calling of God”  
Ezekiel 2:1-3:3

What if every member of TBC was carrying out God’s calling on their lives?

Six things you must do if you are going to carry out God’s calling on your life:

1. You must be available. (Is.6)
2. You must be willing to leave and follow God’s plan. (Gen.12)
3. You must understand that turning back is not an option. (I Kgs.19)
4. You must be aware of the power of the One calling you. (Ex.3)
5. You must stand on God’s Word no matter the results. (Ez.2:1-3:3)

The role of God’s Word in our calling:

1. Listen to God’s Word in your calling. (1-2)
  - a. God’s Word teaches us that the Holy Spirit comes to indwell us at salvation.
  - b. God’s Word teaches us that his children hear him speaking to them.
2. Share God’s Word in your calling. (3-7)
  - a. We are called to share even if they do not listen.
  - b. We are called to share even if we are afraid.
3. Digest God’s Word in your calling. (2:8-3:3)
  - a. We must have the Word in us before we can share it with others. (3:1)
  - b. If we will try the Word of God, we will see that it is good. (3:2-3)
