What a semester it has been! This semester we have the biggest group we have ever had since I've been in Thomasville! I am so thankful that you allow us to pour into your children each and every week! It has been a great semester getting ready for this program tonight! I hope that your children will be joining us for the spring. In this program, there is a QR code that will take you directly to the registration page for next spring! I pray that you have a VERY Merry Christmas and a Wonderful New Year! Bro. B
