The Vision

Volume 46
Number 1

January 1, 2022

"And we know that in all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

It amazes me that when I am preaching through a series of sermons or a book of the Bible that certain passages seem to land on dates that are very timely. That has occurred once again in this series of sermons on the book of Exodus. Here we are just days from entering into the new territory of 2022, and we will be talking about the miraculous story of the Israelites crossing the Red Sea. Yes, the crossing of the Red Sea was one of the greatest miracles in all of the scripture. But, it was also somewhat of a new beginning for the Israelites as a people and a nation. It was a symbolic moment of leaving the oppression of Egypt behind and heading towards the Promised Land that God had prepared for them. As we leave 2021 behind, may we seek God's will and direction for our lives in 2022 so we can be right in the midst of our own Promised Land where God wants us to be. I pray that you will have a blessed New Year!

God Bless,

Bro. Ty

Let's start 2022 with a commitment to Sunday School!!

We would love to see you all there!!
