The Vision

Volume 46
Number 9

September 1, 2022

"And we know that in all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

From the Heart of David

Then He said to His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field," Matthew 9:37-38

One word, excitement, describes my feelings going into fall! God has great things in store for us! My heart is full of anticipation in what He will do! Seeing the excitement in our classes on Sundays and Wednesday nights I can see that the stage is set for growth! Let me ask you now if you aren't already doing so to pray and ask the Lord to reveal to you someone who needs to hear about Jesus! There are people in our community and even on our church rolls that need a contact!

Blessings,
Bro. David

I have said before that August is one of my least favorite months of the year, but that is usually because I am tired of hot weather. However, there is one thing that may be changing my attitude about August. That is Reconnect. This event has been a blessing to me the last couple of years in the month of August. It looks like something that may be a mainstay at TBC for the foreseeable future. I would like to pass on to you, the TBC family, just how much this past Reconnect meant to the guys that came to lead us. They all have wanted to express to you just how much you mean to them. And, I want to say thank you to the church for not forgetting about those who have been called out of our church. I also want to challenge you to continue to encourage them when God brings them to your mind. I hope that during this month of August, we have all Reconnected to God and to each other in such a way that will lead to a Fall semester in which TBC is truly blessed!

God Bless,
Bro. Ty

Dear Church Family,

Thank you for the outpouring of love and support during this difficult time. My mom was always so thankful we had such a wonderful church family here in Thomasville. While my heart is still broken, I am glad she is no longer hurting and is rejoicing with Jesus. Thank you for your continued prayers.

Sincerely

Jaki Rush
