"And we know that in all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

From the Heart of David

From the Pastor

We Christians, of all people, should understand the importance of new beginnings. If we profess faith in Christ, we all experienced a new beginning. The scripture says it this way in II Corinthians 5:17, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! When we gave our lives to Christ, we experienced the salvation and forgiveness that gave us new life in Christ. What a moment that was! It gave us hope for the future, even for eternity. We may still have to live in the consequences of past sins, but we know they have been forgiven. The new calendar year can be kind of like that for people. Consequences of the past year may continue, but we feel like we can put the past year behind us and have hope for the new year. So, as we experience the freshness that comes with the start of a new year, let's remember that the best new start we have ever received was when God made us a new creation! If you haven't been made new through a relationship with Christ, there is no better time than now, the start of the new year, to give your life to Christ and be able to say, "the old has gone, the new has come!"

Happy New Year,
Bro. Ty

What is your New Years Resolution?

This is a common question people ask one another. The dictionary definition of resolution is "A firm decision to do something." Many resolutions can involve good health decisions such as resolving to eat better, exercise more, or have a better sleep schedule. Have you considered making a resolution to improve the health of our church?

Healthy churches have people who are regular in their attendance, participation in leadership and giving. If we are to be strong in the years to come, we need you to be here. Remember the easily-attainable goal set before us: "23 in 23." In Sunday School, our attendance goal is 223. If you are here most of the time, then that's great! Now help hold others accountable so that they are here as well! With your participation and outreach efforts this year, we can make this attendance goal a reality!

Blessings,

Bro. David
