The Youth will be traveling to Pennsylvania for Choir Tour this summer. With the number of students going and the lengthy distance, we need a bus! If you would like to help, take an envelope off the board in the red brick area and pay the amount on the front of the envelope. For example, if you take envelope #112, you pay \$112. This will completely fund the cost of a bus.

From the Heart of David

Hello Church Family,

It's been nearly 12 years since my family was sent by God to Thomasville as I joined the staff in ministry here. We have had the joy of seeing Him at work in many ways in the lives of the people, ministries and missions of TBC. You have loved me and my family and have made us part of your family

Of course the greatest joy was seeing people young and old come to faith in Christ and grow spiritually. Another joy would be seeing people move from sitting to serving in the church as it takes an army of active church members to make a congregation healthy. As I write this, I am thinking of Sunday School teachers, Ushers, Missions Discipleship leaders, Nursery Workers and others who found their place of service in His Church. You are my heroes!

As believers, one of our top priorities is for us to remain in the center of His will at all times. If you know me well, you are aware that my family has a heart for mission work.

I recent days, God has been leading me to a new place in service to Him. Many of you may be familiar with the ministry of WorldSong Missions Place at Cook Springs, Alabama. It is there at that camp many have encountered Christ, accepted the call to Missions and also have reconnected with Him on spiritual retreats.

The Alabama WMU has asked me for my help in serving as their Operations Manager there. After prayerful consideration, I have accepted their invitation and will begin my service there on March 20th. As a new member of the Missions Support Personnel, please pray for me as I start this new chapter as I move my ministry focus from pastoral ministry to missions.

I know you are also wondering about Paige as she serves on staff as well. She will continue on in service through the end of VBS to help with TBC's transition.

Thank you for allowing me and my family to serve along side you in ministry and missions these last years. The memories will always be sweet. I do have sorrow as we leave, but the joy of knowing we are in the center of His will carries us on as we are sent forward. Pray for me and my family in the days ahead as we begin our transition. We will always be grateful for you.
